THE MINISTER OF EXTERNAL AFFAIRS (SHRI JASWANT SINGH) (a) to (c) The resolution of the boundary question between India and China is outstanding. The two sides also have differences in perception of the Line of Actual Control (LAC) in the India-China border areas, including in the Ladakh region of J&K (Western Sector). Both sides carry out patrolling activity in the India-China border areas. Violations of the LAC are taken up through diplomatic channels and at Border Personnel Meetings/ Flag Meetings.

The two sides are discussing the boundary question in the framework of the Joint Working Group. India and China have reiterated the objective of seeking a fair, reasonable and mutually acceptable settlement of the boundary question through dialogue. The Agreement on Maintenance of Peace and Tranquillity along the Line of Actual Control in the India-China Border Areas (1993) and the Agreement on Confidence Building Measures in the Military Field along the Line of Actual Control in the India-China Border Areas (1996) provide an institutional framework for the maintenance of peace and tranquillity in the India-China border areas.

Government remain vigilant and take all necessary and appropriate measures to safeguard the sovereignty, territorial integrity and security of India.
